Effective July 1, 2007, all circulation reports will be billed using the new e-Pricing fees listed to the left. This new billing method includes the following:

- The production file.
- Web posting of your statements & audit reports to www.bpaww.com.
- Providing a hotlink from our Web site to your homepage.
- License to download your statement, post the statement to your site and email it to your customers & prospects.
- Your posting the publication's logo & cover for each issue on the BPA site.
- Providing you with traffic reports on views of your circulation statement and/or audit report.
- Standing orders for competitor circulation reports (maximum of 50 copies, \$2 for each copy over 50).
- Printing 100 copies of your circulation statement and/or audit report.
- Shipping charges for your first two shipments sent via UPS Ground (additional shipments & shipping upgrade are billed back at cost)
